Ideas to Try & What to Buy

These arrangements by Owen—with quince branches, sweet pea, and grape hyacinth—were inspired by the Décors Barbares background fabric from John Rosselli & Associates. Vases, Frances Palmer Pottery. Table, Bungalow 5.

The New Blooms

What's *now* for flowers? Going wild! "I like my arrangements to look like they're still growing," says Brooklyn florist Nicolette Owen of Nicolette Camille Floral Design. She aims to honor the natural gesture of every stem: "Nothing stiff or fussy!" Turn the page for ways to bring the untamed energy of the garden home. >>
